**CONTRACTORS:**

Please accept this as a temporary Check A Pro VIP Gift Card. A permanent card has been issued but will not be available at the time of your visit. If you have any questions, please contact **Jim Klauck** at **(281) 398-7767**.

*How to use your temporary Check A Pro VIP Gift Card:*

Your temporary VIP Gift Card functions just the same as the normal card. **Please present this temporary card to the contractor each time you hire one of our pre-qualified home service providers.** This temporary card is yours to keep and reuse until your permanent card arrives. Please allow 2 weeks for delivery of your permanent card.

To find the perfect contractor that accepts the Gift Card, just log on to [www.CheckAPro.com](http://www.CheckAPro.com) then select your market. *We service the greater Houston area.* Once you have selected your market, click on a service: repair, remodel, clean or all categories, then select your category (i.e. plumber, roofer, maid, etc). Make note of the mini sized gift card symbol on member profiles. This is what shows which member currently accepts your gift card. You can also go to [www.CheckAPro.com](http://www.CheckAPro.com) and click "Check A Pro Gift Card Members" to view a full listing of all members that accept your gift card.
